What Israel is doing is called self-defense, Mike. If you don't understand what that is, you need to put down all those guns of yours. How did we win WWII? We bombed the heck out of Germany and we nuked Japan. That's how it works. Somebody attacks you and you then have every right to hit back as hard as you need to, to get them to stop. Sorry, but that's the way it is.

The world's worst losers are the Zionists. Even Japanese otakus say this. People who flatter such people are truly unseemly people.

Another rant against GOP and Trump. All Satanic players of the Elites, INCLUDING the Demoncrats. Will you stick to it or pull back and make wishy-washy statements about Trump. Here's an observed fact. There is NO ONE in the Fed Gov. that represents us, NONE. If they did they would be dead. No one arrested, no one trialed, no one sentenced, no one in prison except

I'm reiterating this comment. ""I'm voting Libertarian, Joshua Smith, (although, I am watching Dr. Shiva very closely, too). Since clear back from the events in 2001, around the end August of 2002, it was crystal clear to me that our own government orchestrated all the events of 9-11 which destroyed all 7 of the World Trade building complex. The ENTIRE 7 building complex was
